## GENERAL CONDITIONS

1. The Contractor shall comply with all applicable Federal and Territorial laws regarding liability arising or resulting from injury or death to its employees, and the Contractor shall save and hold harmless the Government of Guam from any and all claims arising from the above liability in the performance of this contract. Thus, the Contractor shall take out and maintain during the life of this contract the statutory Workman's Compensation and Employer's Liability Insurance for all of his employees to be engaged in work on the project under this contract and, in case any such work is sublet, the Contractor shall require the subcontractor similarly to provide Workman's Compensation and Employer's Liability Insurance for all of the latter's employees to be engaged in such work.
2. The Contractor shall submit, for the approval of the Contracting Officer, samples of the materials to be furnished and no item shall be installed by the Contractor, save at his own risk, until such approval has been given.
3.
  - a) The Contractor shall pay all fees and charges for connection to outside service and use of property other than the worksite for storage of materials or other purposes.
  - b) Building permit for the project shall be secured by the Contractor. Building permits and plan checking fees for the project shall be paid by the Contractor.
  - 3) The contractor shall comply with all laws, ordinances, regulations, and building code requirements applicable to work hereunder unless in conflict with contract requirements. If the contractor ascertains at any time that any requirement of this contract is a variance with applicable laws, ordinances, regulations, or building code requirements, he shall promptly notify the Contracting Officer and any necessary adjustment of the contract shall be made as specified under Changes in Work.
  - 4) The contractor shall provide a full-year warranty for the construction. The warranty shall commence upon final completion and the Government's acceptance of the work.
4. Disposal - Unsuitable materials as a result of the contractor's operations shall be disposed of in accordance with the local laws and/or policies of the concerned agencies contractor shall be responsible for the payment of the tipping fee(s) required by the Government of Guam in the disposal of waste materials generated as a result of his operations.
5. Payment to the Contractor - The Government will make a progress payment to the Contractor for 50% of the work completed. ***The contractor is required to submit notarized and certified U.S Labor Payroll.***
